

## eMazzanti to Show Legal IT Security, Compliance and Collaboration Solutions at NYC Legaltech Event

*NYC area legal IT consultant partners with WatchGuard Technologies at premier technology event for area law firms, February 2-4*

Hoboken, New Jersey -- (Vocus) January 15, 2015 – eMazzanti Technologies, a New York City area legal IT consultant and data security expert, announced today that it will be attending and exhibiting at Legaltech New York, February 2-4, 2016, at the New York Hilton Midtown.

eMazzanti's Legal IT experts, together with representatives of WatchGuard Technologies, can be found in booth #225 located in Rhinelander, level one. [WatchGuard Technologies](#) is a network security industry leader and technology partner to eMazzanti's legal profession customers in the Northeast.

"Legal professionals face increasing challenges in the areas of compliance, eDiscovery, confidentiality and software integration while they seek remote access to files anywhere and anytime," stated Carl Mazzanti, CEO, eMazzanti Technologies. "Our attendance at the Legaltech event demonstrates eMazzanti's commitment to solving those issues, improving collaboration and increasing customers' revenues while reducing costs."

Legaltech exhibit floor hours will be 10:00 am – 5:00 pm, February 2-3, and 10:00 am – 3:00 pm, February 4. The New York Hilton Midtown is located at 1335 Avenue of the Americas, New York, New York.

### Office 365 and Managed IT for Law Firms

As [Office 365 experts in the legal industry](#), eMazzanti Technologies has proven success in providing Office 365 and cloud solutions to ensure confidentiality, security and compliance while sharing sensitive information with colleagues, teams and clients at a moment's notice.

Attendees at the 2016 New York Legaltech can learn about Office 365 configuration, monitoring and management services from eMazzanti, as well as governance for multiple devices, both onsite and at remote locations.

The company's [Legal Managed It](#) experts ensure secure, instant access to data 24/7, data encryption for eDiscovery and client protection and automated business continuity processes, as well as providing secure system integration for time management, billing, litigation and document management software.

With eMazzanti's [eCare](#) IT Network Management Services, firms enjoy comprehensive IT security, support, implementation and maintenance for one flat fee per asset per month.

## Improving Practice Management

Participation at the Legaltech event strengthens eMazzanti's position among leading legal technology vendors. The meetings and exhibits offer a unique venue where law firms and legal departments go to get hands-on practical information for improving their law practice management.

Legaltech events provide close-up opportunities for legal professionals to evaluate new and updated technologies to enhance their practice. Over 100 exhibitors showcasing products and services designed to meet evolving legal technology needs draw professionals from a wide area.

Legaltech attendees can learn about the newest advances in technology to help meet law firm or legal departments needs as well as participate in networking opportunities with industry leaders. Legaltech is part of ALM Conferences and Trade Shows, a leading producer of educational and networking events for business leaders and professionals.
