

eMazzanti Technologies Named a WatchGuard Founding Partner

WatchGuard Founding Partners represent the company's most committed and capable affiliates who deliver the highest level of network security service

Hoboken, New Jersey -- (Cision) May 17, 2016 – eMazzanti Technologies, a NYC area IT security consultant and MSP, has been named a Founding Partner by WatchGuard® Technologies, a global leader in [multi-function firewalls](#). With this announcement, eMazzanti is recognized as a key partner worldwide having excelled in ways that have strengthened the [WatchGuard Technologies](#) organization long-term.

"In conjunction with the company's 20th anniversary, we created the Founding Partners award to recognize partners who have been with WatchGuard from the beginning," stated Coletta Vigh, Director of WatchGuard Channel Programs. "In addition to eMazzanti's long history as a partner, they have gone above and beyond to elevate the quality of the relationship and to enhance our mutual success. Congratulations to the eMazzanti team for achieving this recognition."

The award was presented to eMazzanti Technologies April 19, 2016, at the WatchGuard Partner Summit in Seattle, Washington.

"Businesses of all sizes depend on eMazzanti's expert deployment and ongoing management of WatchGuard's advanced network security technology, a critical component of their organization's network defense," stated Carl Mazzanti, CEO, eMazzanti Technologies. "Being recognized as a WatchGuard Founding Partner acknowledges our long-term joint commitment to effectively meet the data security needs of our customers through our managed IT security services."

"Being one of just a few partners to receive the WatchGuard Founding Partner award is a clear reflection of eMazzanti's long term commitment to customers and protecting their most valuable resources," continued Mrs. Vigh. "Getting network security right is critical for every organization. We recognize that committed and well-trained resellers develop stronger relationships, resulting in more satisfied customers with more secure networks. We're proud to recognize eMazzanti Technologies as a

WatchGuard Founding Partner and are confident that they can continue to deliver the highest level of expertise for end users in the NYC Metro area and Northeast U.S. region.”
