

eMazzanti to Show Cloud and Legal IT Solutions at Legaltech New York

NYC area legal IT consultant offers application support, cloud migration and security solutions at premier legal technology event for area law firms

Hoboken, New Jersey - (Vocus) January 24, 2017 – eMazzanti Technologies, a New York City area legal IT consultant and data security expert, announced today that it will be attending and exhibiting at Legaltech New York. The legal industry technology conference is at the New York Hilton Midtown, January 31 - February 2, 2017.

 Legaltech[®]

Law firms seeking migration of core legal line-of-business applications to the cloud, application support and increased data security can arrange to meet the company's Legal IT consultants at the event. Interested parties should call 866-362-9926.

"Moving applications seamlessly and securely to the cloud requires careful planning," stated Jennifer Mazzanti, President, eMazzanti Technologies. "Law firms want improved access to data, enhanced collaboration, increased security and compliance without business interruption."

eMazzanti's Legal IT experts, together with representatives of WatchGuard Technologies, can be found in booth #1319 in the Legaltech exhibit hall. [WatchGuard Technologies](#) is a network security industry leader and technology partner to eMazzanti's legal profession customers in the Northeast.

Legaltech exhibit floor hours will be 10:00 am – 5:00 pm, January 31 - February 1, and 10:00 am – 3:00 pm, February 2. The New York Hilton Midtown is located at 1335 Avenue of the Americas, New York, New York.

Cloud and Legal IT Services

eMazzanti offers fast and secure line-of-business application migration to the cloud and migration to Office 365 with minimal impact on internal users and customers. Pre-migration assessments identify the firm's transition requirements and ensure systems compatibility to avoid business interruption.

- Pre-migration Assessments
- Migration of core legal line of business applications to the cloud
- Office 365 Migration
- Legal application support
- Legal IT Managed Services

As legal [Office 365 experts](#), eMazzanti Technologies provides proven Office 365 solutions to ensure confidentiality, security and compliance while sharing sensitive information with clients, teams and colleagues anytime and anywhere.

The company's [Legal Managed It](#) experts ensure secure, remote access to data, network security 24/7, eDiscovery data encryption and automated business continuity processes, as well as providing secure system integration for time management, billing, litigation and document management software.

Legaltech events provide hands-on opportunities for legal professionals to evaluate rapidly changing technologies with the potential to transform their practice. Hundreds of exhibitors presenting legal technology products and services appeal to professionals nationwide.
