

Hoboken's eMazzanti Technologies Acquires Forceworks Office 365 Portfolio

Forceworks to focus on Dynamics 365 to enhance revenue growth opportunities for customers while NYC area IT consulting firm expands Office 365 customer base, adds staff

Hoboken, New Jersey -- (Cision) August 15, 2017 – eMazzanti Technologies, a New York City area [retail IT consultant](#) and [managed services provider](#) (MSP), announced today a significant portfolio acquisition from Forceworks, a Tampa, Florida, 2014 Microsoft Partner of the Year and Certified Cloud Deployment Partner specializing in Dynamics 365 and related applications.

The acquisition of Forceworks' [Office 365](#) business expands eMazzanti's customer base and service delivery to the Office 365 community while Forceworks is divesting to focus on their Dynamics 365 strength.

"This is a strategic move that allows us to focus 100% of our effort on the products we know best," stated Steve Mordue, CEO Forceworks. "That means we can provide enhanced, more responsive service, and additional revenue-enhancing opportunities to our Dynamics 365 customers."

Office 365 Customers and Staff

eMazzanti will also be taking on the Forceworks Office 365 staff. Current Forceworks Office 365 customers can expect to continue to enjoy the [quality support](#) and staff they are familiar with following the transfer to eMazzanti. In eMazzanti Technologies' award-winning Microsoft business spanning sixteen years, the affected customers will gain access to the deeper technical knowledge of the eMazzanti team and access to a broader offering around Office 365.

"Office 365 customers have always had the best technology to reduce costs and drive revenue growth," stated Carl Mazzanti, President, eMazzanti Technologies. "Now, with the acquisition of the Forceworks Office 365 portfolio and staff, we can bring additional resources to bear in solving their business problems."

September 1, 2017, Cutover

The two firms have set a September 1, 2017, target date for the formal transfer of the Office 365 customer base. A joint transition team is managing all the details. After September 1, the companies have pledged to continue to work hand-in-hand with customers that have both Dynamics 365 and Office 365, coordinating closely to deliver the best service and expertise for the customer.

"We chose eMazzanti because of its outstanding reputation in the industry and three-time Microsoft Partner of the Year status," related Mordue. "The transaction allows the Forceworks organization to focus on what we do best, our Dynamics 365 strength, a win-win."
