

## **eCare Flex Terms**

Clients whom select this service have the ability to pre-pay for services, in varying amounts, on a recurring monthly basis. Blocks are purchased in dollar amounts as the number of *hours* purchased will vary depending on the skill & seniority rate sheet provided in the Terms of Service.

At the conclusion of each week of activity an invoice will be generated that outlines time usage and monies used, remaining or owed. In the event that not all of the time has been utilized at the end of the month, these funds will roll over into the next month. If the funds have been exceeded, an invoice for the overage will be supplied to the Client in the week that the activity took place.

Use of the services described herein shall constitute the agreement by Client that it shall be bound by the eMazzanti Terms of Service, which is available on our website, [www.emazzanti.net/terms](http://www.emazzanti.net/terms).
