The three-day International Franchise Expo is recognized as one of the leading educational forums available to the business community. Organizers attribute this success to the involvement of recognized industry experts like Carl Mazzanti. A synopsis of his presentation follows.

You Built it, Customers Love it – Learn how to protect your Dream Now

"Hackers and natural disasters pose real threats to business survival. Learn how high availability and an effective cyber-defense keep you in business even when others are trying to take you down."

IFE attendees come to learn how to own their own franchise and be their own boss. At the show, they can meet hundreds of proven franchise brands at every investment level, in every industry starting under \$10,000. Those looking to invest in a franchise or franchise their existing business will find multiple seminars to meet their needs.

The International Franchise Expo (IFE®) is the premier annual event for the franchise industry with hundreds of franchises on display. IFE® also offers the industry's most comprehensive conference and educational program to gain the ins and outs and behind the scenes information needed for success right from the start.

Billed as the largest franchise expo in the country, the International Franchise Expo brings together thousands of entrepreneurs and future business owners with over 400 proven franchise opportunities from every industry and every investment level, full-time and part-time.
